

PHYSIX (\$XPHYS) – Meme Coin Powered by Gains, Brains & Grace

■ Overview

PHYSIX (\$XPHYS) is a Base Chain meme coin designed to unite the worlds of fitness, science, and faith. It's a bold movement rooted in personal elevation — mental, physical, and spiritual. Built for a community of believers in both Web3 and personal transformation.

■ Mission

To inspire and empower individuals across the blockchain space to pursue holistic growth — mind, body, and spirit — through a fun, accessible, and values-driven meme coin.
